

Statement of Endorsement

Goal 1: Give Kids a Strong Start

Goal 2: Empower Neighbors to Thrive – Not Just Survive

Goal 3: Help Us All Live Longer, Better

These goals cannot be realized alone.

We believe that these goals represent a holistic and integrated approach to increasing opportunities, improving lives, and strengthening community so that everyone in Greater Portland grows and prospers. Success requires cross-sector partners to come together in a new, more intentional way, aligning individual and collective contributions, employing strategies that reinforce each other, mobilizing community resources and public will, and relying on data and robust evaluation efforts.

_____ recognizes it has a significant role it can play. Therefore, _____ endorses these goals and will contribute to advancing strategies and actions that will make long lasting change for our community.
